discovery] Enterprise

Secure access to our fully automated, electronic evidence processing and analytics eDiscovery solution.

Unlimited Users, Matters, & Productions

Add unlimited users and matters to empower your team without limit.

IPRO Insights

Gain matter insights fast, with our complete IPRO Insights collection that includes email threading, near duplicate detection and comparison, conversation heat map, topic modeling, assisted review, active learning, find similar, and early case assessment toolset.

Full Environmental Control and Customization

No software, hardware or infrastructure to maintain. You have full environmental control, and access to the IPRO API, for integration into your established workflows and customized experience.

IPRO Learning Center

The Elite Plan provides video based, self-guided assistance, for up to 100 users via the IPRO Learning Center.

IPRO Professional Services

Professional Services, for those times when you need the extra help or when an unexpected issues and requests occur, is included at no additional charge.

IPRO is reinventing the way organizations interact with their data.

By transforming the EDRM and thinking "upstream" we bring insight far earlier in the eDiscovery process, enabling teams inside and outside your organization to collaborate transparently at any stage, before data is even collected. By thinking about and interacting with your data differently, you'll eliminate waste and reduce risk.
