discovery][Enterprise

Secure access to our fully automated, electronic evidence processing and analytics eDiscovery solution.

Unlimited Users, Matters, & Productions

Add unlimited users and matters to empower your team without limit.

IPRO Insights

Gain matter insights fast, with our essential IPRO Insights collection that includes email threading, conversation heat map, and early case assessment toolset.

System Administration

No software, hardware, or infrastructure to maintain. System, storage, and user administration completed by an IPRO Cloud Solutions Specialist at no additional charge.

IPRO Learning Center

The Starter Plan provides video based, self-guided assistance, for up to 10 users via the IPRO Learning Center.

Professional Services

Professional Services, billed on an hourly basis, for those times when you need the extra help or when an unexpected issues and requests occur.

IPRO is reinventing the way organizations interact with their data.

By transforming the EDRM and thinking "upstream" we bring insight far earlier in the eDiscovery process, enabling teams inside and outside your organization to collaborate transparently at any stage, before data is even collected. By thinking about and interacting with your data differently, you'll eliminate waste and reduce risk.
